

HOUSE OF MEME

Welcome to the House of Meme

We're a gallery that showcase the importance and contribution of meme coins/tokens in the cryptocurrency platform from Doge to Slerf. Meme tokens as it stands presently added a staggering amount of more than \$50billion with a daily trading amount of more than \$10billion to the cryptocurrency market. We don't only need a new set of meme coins, we create a gallery house for them

" Welcome to the house "
